

## Plan of the Day

### **Our day begins.....**

- Campers arrive at Museum Plaza and are welcomed by camp staff
- After Museum's Exploreum, campers investigate with their groups
- Snacks and icebreakers help us learn about each other
- Our morning continues with Flight Deck Challenges (relays, "boot camp")
- Ready to eat, we dine on the Mess Deck or in the VIP room

### **Our day continues...**

- Themed projects and activities become our focus as we design and create solar ovens, create and launch bottle and straw rockets, investigate the health of the Hudson River-its marine and plant life.
- Weekly rides on the Circle Line's boat "Beast" is always a highlight during summer months.
- Visits from curators, plane restorers, and educators share their expertise
- Time to explore the ship and have another snack!
- Recreational Maneuvers bring the day to a close as we challenge each other with Nok-Hockey, Battleship, Connect Four, Cards/Uno, Candyland/Legos
- Off we go to reunite campers with their families – see you tomorrow!
