

The Four Forces of Flight

How will physical forces act on these simple materials?

Materials	Description	Hypothesis	Right/ Not Right?	Why?
Balloon String Tape Straw	The string will be drawn through the straw and a blown up balloon will be taped to the straw. What will happen when the balloon is released?			
Ball	What will happen when the ball is let go?			
Parachute Guy	What will happen when the parachute with toy man is thrown up into the air?			
Paper Strip/ Airfoil	What will happen when you blow over the strip?
