

# Your Brain on the Military

## Understanding Psychological Changes After Military Service

 **New York-Presbyterian**  
Military Family Wellness Center

 **New York-  
Presbyterian**

 **COLUMBIA UNIVERSITY  
MEDICAL CENTER**

The Intrepid Museum and New York-Presbyterian Military Family Wellness Center welcome current and former military service members and their family and friends for a series exploring the links between military service and the brain. Hear from researchers and veterans as they unravel myths and realities about the military and mental health.

**Women Veterans**  
**Friday, February 1, 2019**  
**3:00pm-5:00pm**  
**Intrepid Sea, Air & Space Museum**

Dr. Colleen Becket-Davenport, Psy.D., of the Military Family Wellness Center will moderate a panel of female veterans. They will speak about the strengths and leadership of women in the military, and the unique challenges they face both during and after service.

Free for current and former military service members and their friends and family, with advance registration. For more information and to register, visit [ybmwomenvets020119.eventbrite.com](http://ybmwomenvets020119.eventbrite.com).

This program is made possible by public funds facilitated by New York City Councilmember Chaim Deutsch, Chair of the Committee on Veterans, in partnership with the New York City Department of Cultural Affairs.
